| Machine number:                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Description:                       | Centerline micrometric adjustment<>C.U.B.E. Bobst-Electronic machine operating system<>Operator interface with Color Touch Screen<>Pull or push sheet registration system, allowing precise sheet register<>Feed table plate reduces static and delivers smoother sheet travel<>Integrated quick-lock system ensuring fast and eas job changeovers<>Automatic equipment centering, locking fo chase and supporting plate, ensuring perfect quality achievement of cutting and creasing<>Feed table covered with anti-static stainless-steel plate |

### Technical details

|                     |                               |
|---------------------|-------------------------------|
| Sheet size max      | 740x1060 mm (29.125x41.75 in) |
| Sheet size min.     | 350x400 mm (13.75x15.75 in)   |
| Embossing size max. | 710x1060 mm                   |

|                             |                                           |
|-----------------------------|-------------------------------------------|
| Stamping size max.          | 725x1060 mm                               |
| Gripper margin              | 9 to 17 mm                                |
| Height of cutting rules     | 23.8 mm                                   |
| Platen pressure max.        | 2.6 MN (286 US tons)                      |
| Production speed            | 7000 sheets/h.                            |
| Pile height (normal feeder) | 1400 mm (800 mm)                          |
| HS Code                     | 84439959 HS Codes Classification of Other |
